

## WEBINAR

### *What do we really know about the use of anabolic steroids?*

The use of anabolic steroids and associated drugs is now recognised as a public health concern and is a regular topic in the media. But while there is a stereotypical image of the anabolic steroid user portrayed in the media, is this an accurate portrayal of those choosing this form of drug use?

1st December 2021  
7:00pm-9:30pm

FREE

Zoom

#### Seminar will be presented by:
